

# Otolaryngology-Head and Neck Facial Plastic Surgery Residency Program

## Medical Education Department

Program Director: Kenneth Markiewicz, D.O.

Phone: (616) 252-7078

Email: [medical\\_education@metrogr.org](mailto:medical_education@metrogr.org)

**Purpose:** To educate the Otolaryngologists of tomorrow in the Osteopathic tradition.

All candidates entering the residency program shall complete one of two pathways as prescribed in the AOCOO-HNS Basic Training Requirements.

### 1. Six year program:

- a. Twelve months of Osteopathic Rotating Traditional Internship
- b. Twelve months of Osteopathic General Surgery Residency
- c. Four years of Osteopathic Otolaryngology-Head and Neck Surgery Residency

### 2. Five year program: (ENT Track Program)

- a. Twelve months of Specialty Track Internship
- b. Four years of Osteopathic Otolaryngology-Head and Neck Surgery Residency

The General Surgery portion of the above may be either provided at this institution or be certified by the American College of Osteopathic Surgery at another institution. The Otolaryngology portion of the program is a comprehensive, well-organized curriculum allowing the resident case participation and development of surgical skills to be incorporated in the Otolaryngology - Head and Neck Surgery curriculum. This is conducted in a variety of educational settings, including participating hospitals, clinics, classroom, surgical suites, at bedside and in laboratories.
